

**How to find the conference bus  
starting from the Wrocław railway station  
(Wrocław Główny)**

Starting from a platform use stairways to go down to one of two tunnels. Choose the back exit (the one that follows platform 5) and cross Sucha Street (Ulica Sucha). On the other side there will be a person on a parking lot holding a CSL poster who will lead you to the bus.

A cell phone number of the person waiting on the parking will be sent directly to you by e-mail.
